Beginners deserve a better way to learn to play golf!

Most golf programs are incomplete. That is why the Wallace Golf Ladies Academy uses the Operation 36® Development Model which centers around playing golf. The goal is to help you shoot par (36) or better for 9 holes.

STEP ONE: Play Your First 9 Holes

Coaches will provide you with a 9 hole playing experience with the Op 36 Model.

STEP TWO: Develop Skills in Classes

We offer weekly group classes for you to attend that are educational and fun.

STEP THREE: Track Your Golf Journey

The Op 36 Mobile App is your guide outside of classes. It is designed to make it fun to track your golf progress.

Learning to Play Golf with OPERATION 36® GOLF

**DEVELOPMENT

**CURRICULUM
AND GOALS**

**TECH FOR
TRACKING PROGRESS**

At Chambersburg Country Club we believe that every golf program should be centered around playing golf and making it fun to track progress overtime. This is why our facility is excited to be a licensed Operation 36® facility. We leverage the Op 36 On-Course Format (see below) and technology to make it fun for our golfers to improve their skills.

Mastering the Operation 36 Model:

Golfers Play 9 Holes From Division 1 (25 Yards)

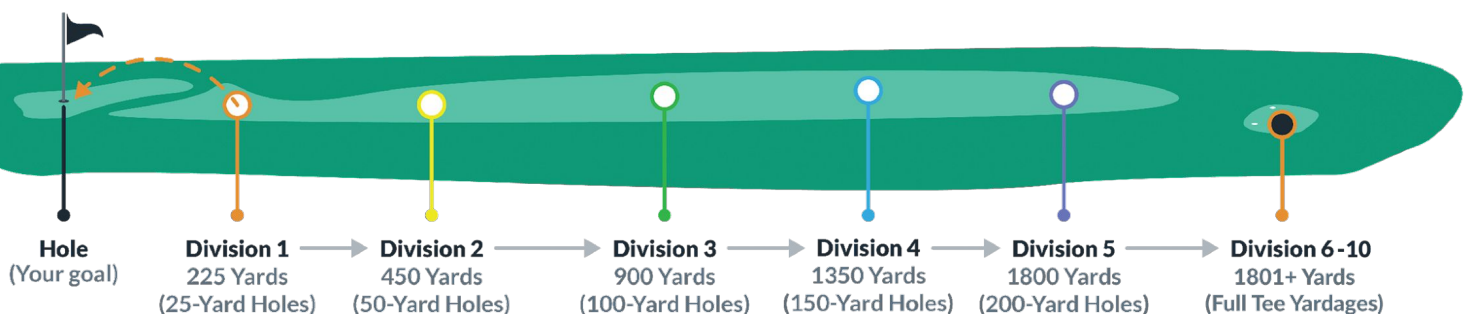

Instead of starting at the full tee box, all golfers begin in Division 1 and will play 9 holes starting 25 yards from each green.

Shoot par (36) or better to pass Division

If they shoot par (36) or better, the golfer progresses to Division 2, where they start 50 yards from each green.

Complete the Division 10 challenge

This challenge continues until the golfer can shoot par (36) from all 10 divisions!
