

## Chambersburg Country Club Swimming and Water Safety Program

Welcome to summer at the pool in 2025. It's a new swimming season and we are excited to be part of your summer plans. All but one team member will be returning this year to serve our members. In addition to our returning instructors, we have recruited several new lifeguards to complete the team. Be sure to check out their bios in the breezeway. We have one of the best learn to swim programs in the area. Our swimming instructors are also swimming athletes who know the strokes as well as the hard work and commitment it takes to master them. They also understand that young swimmers must be patient through the process as they build a solid foundation through sound fundamentals in order to fully hone their swimming skills. If learning to swim and developing strong swimming skills is on the family's list this summer, then there's no better place to get started than here at the Chambersburg Country Club. We are ready to serve you!

**Our Vision:** The Chambersburg Country Club Swimming and Water Safety Program seeks to develop life-long swimmers and to promote water safety in our community. We strive to foster a love for the water and to equip our swimmers with the necessary skills for lifelong enjoyment of a variety of swimming activities.

**Our Mission:** We aim to deliver a highly recognized swimming program that incorporates a proven progressive curriculum, with trained and caring instructors who recognize and celebrate the diversity, uniqueness and innate potential of each child. Safety and commitment to excellence are at the forefront of our program and serve as the catalyst for success.

### Our Core Values

1. **Respect-** We promise to show the utmost respect toward our swim families, our co-workers, and ourselves.
2. **Commitment-** We are committed to excellence and to providing the best experience we possibly can to every child we serve.
3. **Growth-** We take pride in helping each child grow both as a swimmer and as a person.
4. **Safety-** We strive to make sure that every swimmer who participates in our program feels safe and valued.
5. **Enjoyment-** We love what we do, and it is our hope that our love and enthusiasm for swimming would be passed on to our swimmers.
6. **Teamwork-** We value our fellow teammates and are committed to cultivating a culture of trust, responsibility and kindness.
7. **Caring-** At the very center of our core values is an authentic caring for our swimmers and their families; we want what's best for them.

## 2025 Swimming Lesson Schedule

All classes run weekly, Monday through Friday, rain or shine. We will begin the week of June 9 and continue through the week of August 11 (10 weeks).
