PROGRESSING JUNIORS TOWARDS PAR OR BETTER ON AND OFF THE COURSE

The Wallace Golf Academy uses the Operation 36® framework to structure the program. It consists of Coaching, Playing, and Training programs and is designed to teach golfers to play the game from a hole out perspective. Each golfer will be issued a profile in the Operation 36® Mobile App to track progress through a 6 level curriculum that is designed to set appropriate objectives and challenge each student towards shooting par or better (score of 36) for 9 holes.
