**Ashley Long named Special Event Coordinator/Bar Manager at Chambersburg Country Club**

Scotland, PA – Chambersburg Country Club has hired Ashley Long as their new Special Events Coordinator/Bar Manager. Mrs. Long brings the team a broad depth of experience in the areas of event planning, wedding coordination and restaurant management. A graduate of Strayer University with a Bachelor's Degree in Business, Ashley's experience includes over fifteen years in the food and beverage industry. In the roll of Event Coordinator & Bar Manager, Ashley will oversee all member and non-member special events as well as the daily food and beverage service across all club facilities. She will also be responsible for coordinating the many wedding ceremonies and receptions, rehearsal parties, golf tournaments, charity fundraisers, business meetings and other events hosted each year at the Club.

A native of Chambersburg, Ashley currently resides in Gettysburg, PA with her husband and four children. She comes to Chambersburg Country Club from her most recent position as Project Manager at DCI Management where she coordinated the planning and implementation of tradeshow events throughout the country. Ashley has also worked for premier organizations including The Links at Gettysburg and the National Shrine of Saint Elizabeth Ann Seton, Emmitsburg, MD. Throughout her career she has planned more than 300 events for groups as large as 1,500 participants. "The Club is fortunate to have such an experienced and energetic professional join our staff", says Club President Mike Jackson. Long says, "I look forward to bringing the Club's social calendar back to what it once was."

**About Chambersburg Country Club**
