## NEW GOLFER BOOTCAMP

Powered by Operation 36

## THE #1 WAY FOR NEW GOLFERS TO BEGIN THEIR JOURNEY

### We know what you're thinking....

Golf would be a great life-long sport to play with your family and friends, but is **intimidating**, looks too **hard to learn**, and to be honest, you just don't want to **embarrass yourself**.

Our trained and caring golf professionals understand your fears and concerns which is why we created the Operation 36 New Golfer Boot Camp. This one day, 4 Hour Program is designed to be the **#1 learning experience for beginner golfers** who are just starting their journey.

Let our caring team **guide you through your first 9 holes** and take you from an apprehensive newbie, & turn you into a confident golfer who can play with anyone!
