Summer camps with a purpose!

Give your children a summer camp experience they won't forget! We want to see each of our golfers fall in love with the game of golf and see improvement on the course! We leverage the Operation 36 Platform to help measure improvement (see back). Each day is packed with fun activities that make becoming a better golfer a fun experience. Our full day students will get onto the course every afternoon and our half day students will play on the last day of camp!

Our facility is a Licensed Operation 36® Network Facility. We leverage the Op 36 On-Course Development Model (see below) and technology to make it fun for our golfers to improve their skills.

To do this we use the Op 36 App. You will be invited to make your golfer an account in our community. Throughout the week, we will not only send communication through the app, but we also log all on-course scores of the golfers to track overtime.

Any coaching program you join at our facility, we are able to track progress and give you a fun tool to guide your golf development outside of our classes.

THE OP 36 ON-COURSE DEVELOPMENT MODEL

1

Golfers will play 9 holes from Division 1 (25 yards)

2

If you score par (36) you back up to the next division

3

This process continues through 10 Division Journeys

4

All stats & milestones are tracked in the Op 36 App
