

Teeing Grounds Renovation Outline

Included in the follow pages is a rough graphical representation of the new teeing ground locations.

Locations are subject to change and in the field design edits.

Tee size and alignments are not drawn to scale.

Other notes on the layout (tree removal, bunker modification, fairway shifts) are not part of this project.

All teeing grounds will be resurface, reshaped, and re-seeded with new bent grass as part of this project.
