Golf Simulator

Featuring E6 & Trackman, our simulator provide the most accurate indoor golf experience available. The climate controlled environment is great to play golf year round, regardless of the temperatures or weather conditions. With over 30 courses to choose from and various simulated conditions, you'll never get bored hitting shots in the 24' x 10' screen.

The WGC also features a 40" TV with DirecTV, free wireless internet service and bar services to entertain your group throughout the "round".

We use YOUR CLUBS, real Titleist ProV1 balls and complete full swings for each and every shot for the most accurate data.
