Golf Simulator

Featuring Trackman Virtual Golf, our simulator provide the most accurate indoor golf experience available. The climate controlled environment is great to play golf year round, regardless of the temperatures or weather conditions. With over 80 courses to choose from and various simulated conditions, you'll never get bored hitting shots in the 24' x 10' screen. The WGC also features a 40" TV with DirecTV, free wireless internet service and bar services to entertain your group throughout the "round". We use YOUR CLUBS, Titleist ProV1 balls and complete full swings for each and every shot for the most accurate data.

How does it work?

Individuals can complete a "round" in roughly 60 minutes. Therefore, groups of 4 players will typically take 4 hours to play.

You can reserve the simulator in 60 minute increments, up to 4 hours per day.

Bring your clubs and our staff will help get you started on the simulator.
